

NIVETHA SREE V

www.linkedin.com/in/nivetha-sree-v-2914b82aa

Artificial Intelligence & Data Science Student

Coimbatore, Tamil Nadu | B.Tech – AI & Data Science, Akshaya College of Engineering & Technology

PROFILE SUMMARY

Motivated B.Tech student specialising in Artificial Intelligence & Data Science with hands-on experience through multiple internships in Python/ML, full-stack web development, and advanced AI systems. Skilled at building real-world projects from healthcare assistants to data warehouses, with a strong foundation in problem-solving and continuous learning. CGPA: 7.68 | Current SGPA: 8.23.

EDUCATION

Bachelor of Technology – Artificial Intelligence & Data Science

Akshaya College of Engineering & Technology, Coimbatore

Expected Graduation: May 2027 | CGPA: 7.68 | Current SGPA: 8.23

INTERNSHIPS

Python & Machine Learning Intern — Negha Solutions

- Gained practical exposure to Python programming and core machine learning workflows.
- Worked on data preprocessing, model building, and evaluation exercises.
- Developed small ML prototypes as part of internship assignments.

Full Stack Web Development Intern — ATS Accent Technosoft

- Trained in MERN stack fundamentals (HTML, CSS, JavaScript, Node.js basics).
- Built responsive web pages and practised component-based development.
- Understood backend logic flow and REST API integration basics.

Advanced AI & Multimodal Systems Intern

- Hands-on work with intelligent, context-aware AI systems.
- Learned prompt engineering, AI workflows, and multimodal architecture.
- Built experimental AI features using large language models.

PROJECTS

- MedX AI – Intelligent Healthcare Assistant** | Tech: Python, Machine Learning, NLP
- Food Delivery Trend Data Warehouse** | Tech: SQL, ETL, Power BI / Tableau, Data Modeling
- Stress Level Detector Using Typing Speed & Mistakes** | Tech: Python, Machine Learning, Streamlit, Data Analysis
- Speech-to-Code / Speech-to-Text Converter** | Tech: Python, Speech Recognition, NLP, AI Models
- Lilly Web Project – Personal Daily Task Manager** | Tech: HTML, CSS, JavaScript, Web App Logic

TECHNICAL SKILLS

Programming Languages

- Python (intermediate)

Frameworks & Technologies

- Django (Basic)

- Java (Basic)
- C (Basic)

Web Technologies

- HTML (Basic Knowledge)
- CSS (Basic Knowledge)

Office & BI Tools

- MS Office – Word, Excel, PowerPoint (Basic)
- Power BI – Basic Dashboard Creation & Data Visualization

- UI/UX Design Fundamentals
- Data Warehousing & ETL (Basic)
- AI & Machine Learning (Basic)
- Speech-to-Text / NLP (Basic)
- Full-Stack Basics – MERN Stack

CERTIFICATIONS & WORKSHOPS

- **Oracle Cloud Infrastructure 2025 Certified Foundations Associate** – Oracle University *(Apr 2025)*
- **Introduction to Transformers and Attention Mechanisms** – Analytics Vidhya
- **Java Course – Mastering the Fundamentals** – Scaler Topics *(Jan 2026)*
- **Reality Redefined: Hands-on Journey into AR & VR Development** – Praya Labs *(Nov 2024)*
- **JavaScript Training** – Certificate of Completion
- **IT Foundation Certificate Course**
- **3-Hour Skill Camp – Roadmap to Full Stack Developer (MERN Stack)**
- **National Level Technical Workshop – Harnessing AI for Academic Success**
- **Introduction to AI Applications in Robotics (Workshop)**
- **National Level E-Quiz Certificate in Mathematics** – Lokmanya Tilak Mahavidyalaya
- **24-Hour Hackathon Challenge – Idea Showcase 2025** *(Oct 2025)*
